*Price includes a pattern and yarn for the class project. Students will choose a color from current inventory, in the specific yarn we have chosen, to complete the class project.

**Class requires homework. Students will knit a swatch or begin the project before class.

***A Knit Along offers some instruction and help on a specific project. Students are responsible for purchasing yarn and pattern (10% discount given for project supplies in our shop).

Class Policies: Please stop in or call the shop to register for classes. Payment guarantees your place in the class. Some class fees include pattern and yarn. Students will need to provide knitting needles and other notions; please have your supplies ready before the class begins. We offer a 10% discount for supplies purchased for a class.

Cancellation Policy: Refunds may be given for cancellations one full week before the beginning of the first class; no refunds will be given for a cancellation less than one week before the class. No partial refund will be given for additional sessions if not attended. Missed classes may be rescheduled with the instructor in some cases. Refund of materials will be based on store return policies.
